ZOO'S GUIDE TO ALL YOU NEED TO KNOW, WATCH, BUY & LAUGH AT THIS WEEK!

ABIGAIL RATCHFORD

American beauty!

You went crazy for Instagram hottie Abigail Ratchford's ZOO cover shoot. So we flew her back to Blighty for a sensational return!

The best thing to come out of Scranton, Pennsylvania, isn't the American version of *The Office*. Not even that TV giant compares to brunette bombshell Abigail Ratchford.

And to think just two short years ago, there were only a handful of people who knew the 23-year-old's name. Flash forward to 2015, and you'd be hard-pressed to find a man on the entire planet who hasn't seen and admired the curvaceous cutie's Instagram snaps and slo-mo boob bouncing videos.

Now Abigail's giving something back, not only with another world exclusive ZOO shoot for you all to enjoy, but also in the form of her seriously sexy calendar, meaning you can now admire her incredible curves for 366 days in 2016.

"All my shots are inspired by my favourite iconic images, like Kim Kardashian's Break The Internet picture," amazing Abigail told ZOO. "I think the shot I love the most from the whole calendar was definitely the Janet Jackson one. That's been one of my favourite images for as long as I can remember!"

"After this, I've got a few sexy ➔

A full-page photograph of Abi Titmuss, a woman with long, dark, wavy hair, wearing a red string bikini. She is standing in front of a large American flag, which is draped across the background. She is looking down and slightly to her left with a gentle smile. The lighting is bright, suggesting a window or natural light source.

**"I've taken
up boxing, but
I'm not ready for
Ronda Rousey... yet!"**

Christmas photoshoots lined up, so there's no rest for me. I've even taken up boxing to keep in shape, but I'm really nervous about getting hit in the face. I'm definitely not ready to take on Ronda Rousey... yet!"

Good news, then, for her 3.3 million fans across the globe. However, you don't need to worry about Abi suffering burn out like a Premier League footballer this festive season, because she's got plenty of plans to rest her hot body.

"I'm going to put my feet up and get into my 'Netflix and chill' mode," she revealed. "If any guy fancies coming over to watch a Vince Vaughn or Ryan Reynolds comedy with me, they're welcome. However they'll need to be able to make me some homemade soup in a Crock-Pot, bring me some warm bread and also a cold Christmas beer to keep me interested!"

We're not sure about you gents, but that sounds like the perfect festive treat to us. And if anyone's got a better way to warm the cockles of our heart this December, then we're yet to hear about it.

STAR WARS' NEW HOPE, JOHN BOYEGA!

"Those lightsabers are f***king heavy!"

The Force Awakens star John Boyega sits down with ZOO to discuss the franchise's "epic" new movie, growing up in Peckham, and starting his own Star Wars fitness regime!

H EY, JOHN! WHAT DO WE NEED TO KNOW ABOUT YOUR CHARACTER FINN IN THE NEW STAR WARS MOVIE?

Finn is dope. His story is so epic. It's a story that's never been seen before, but it also mirrors those of Luke Skywalker and Han Solo. And he's quirky, charismatic and funny. For me, he was the best character in the script. **FINN'S NOT GOT A LAST NAME HAS HE? MAYBE LIKE CALRISSIAN...**

I don't know about last names. You don't need to have one in space. They don't have the same rules in space as we have here. As for Lando Calrissian, he's not about sons, he's probably off doing his own thing.

MOST PEOPLE KNOW YOU AS ONE OF THE KIDS IN ATTACK THE BLOCK, BUT ARE WE ABOUT TO SEE A COMPLETELY DIFFERENT SIDE TO YOU?

I think so, yeah. I played a bit of a yob in *Attack The Block* and a lot of people chose to write about how I grew up opposite the place where Damilola Taylor was stabbed, but that's not my story. Yeah, I grew up in Peckham, but I spent most of my time dancing and acting. Guns and knives mean nothing to me. I worked hard – and look where I ended up today!

HOW WAS THAT AUDITIONING PROCESS WITH J J ABRAMS?

Intense! I was unleashed into

seven months of auditions. It was like *The X Factor*, but without the TV show or Simon Cowell...

COULD YOU TELL ANYONE WHEN YOU FINALLY GOT THE PART?

Some people. As soon as I found out I went home and was like, "Dad, I've just been cast in *Star Wars*," and he was just like, "Oh my God! You're in *Star Wars*, that is fantastic!" Then he looked at me blankly for a few seconds and said, "What's *Star Wars*?" **WE'RE GUESSING YOU HAD TO REMAIN TIGHT-LIPPED OVER THE SCRIPT?**

Most of the time I felt like I was living a double life, like Batman. If I'd said anything I'm sure J J Abrams would fly a robotic

"If I give away secrets I'm going straight to EastEnders!"

WITH OLD HAND HARRISON!

helicopter overhead and make me disappear from Hollywood forever. I'd literally be a regular on *EastEnders* after that.

HOW'S LA LIFE? ARE YOU BEING RECOGNISED IN THE STREET MUCH YET?

Not at all, actually. I've been walking around LA and nobody recognises me. I know slowly that's going to change with the release of the movie. I'll just do the human thing and adapt. But it's part of what it is, isn't it?

YOU'RE STAYING GROUNDED THEN?

Definitely! Most of the friends I've made in LA are just normal guys. One works at the airport and the only difference is I'm like, "I'm going to Jakku now while you go to your office."

YOU SEEM PREPARED FOR THE MEDIA ONSLAUGHT COMING YOUR WAY...

I like the camera. I mean, I'm a 90s baby so I've grown up with the camera in my face. But also I'm taking each day as it comes: I came into this with a fantastic team, with family and friends, so I feel very supported.

DID ANY OF THE OLDER CAST MEMBERS GIVE YOU ADVICE ON DEALING WITH THAT SORT OF FAME?

I remember Harrison [Ford]

told me, "It's going to change your life" and that was it. I think him not going past that just means it's an experience; it's each to their own.

AND HOW WAS IT ON SET, WIELDING A LIGHTSABER?

Man, it came in a case. The production guys brought it out and I'm like, "Now's the moment, now's the time."

I held it in my hand and it felt very, very good. But damn they're heavy!

SO YOU HIT THE WEIGHTS?

Ha, not quite. There was a lot more running involved, so I trained on a high-incline treadmill so when it came to it I could sprint around the

SHOOTING IN THE DESERT

desert in a leather jacket.

I should start my own *Star Wars* weight-loss programme!

DO YOU HAVE ANY HOBBIES OUTSIDE THE CRAZINESS THAT HELP KEEP YOU SANE?

This is not craziness, this is me doing my art. I'm not a rock star or anything. I'm going to places where I get to meet genuine fans of these franchises. I still do the normal stuff that every guy does, so it doesn't feel crazy to me.

DON'T YOU EVER NEED TO GET AWAY FROM THE WHOLE ACTING AND STAR WARS HEADSPACE FOR A FEW MINUTES?

It's just like it's always been a part of my life. I watch B-rolls, I'm into the behind-the-scenes, and I'm into comic books. Obviously, this is an extreme extension where I get to express myself, but I still go back to just being a normal guy.

WE GUESS YOU'D LOVE TO DO MORE STAR WARS FILMS, BUT ARE WE GOING TO SEE YOU BACK FOR MORE IN THE FUTURE?

Of course I would. Why not? But am I allowed to say? You'll have to watch the film and see what happens...

→ *Star Wars: The Force Awakens* is out on 18 December

Bonkers Star Wars SPOILERS!

There are an awful lot of plot rumours out there. These, sadly, aren't among them...

Where's Luke Skywalker?

Luke was sued by the Empire for all his worth after destroying the Death Star. It meant selling his robotic arm at Cash Converters to pay legal fees and he now works as a intergalactic binman.

The Ewoks are no more

Heavy deforestation on Endor led to an increase in illegal poaching for prized Ewok fur. But, you can help. For only £1 a month you can adopt an Ewok and help this once-great animal live on...

Lando Calrissian...

The ex-smuggler still sports an exceptional moustache, especially during November, during which he raised 10,000 Galactic Credits.

Chewbacca

Like Han Solo, the hairy Wookiee is entering his twilight years. Every morning before work, Chewie spends 30 minutes adjusting his full-length toupee – a loan from Donald Trump's "guy".

Will we see more R2-D2?

The loveable robot only makes a cameo, owing to Luke selling him on Music Magpie when he couldn't upgrade his iOS and stopped being able to use apps such as Facebook and BBC iPlayer.

Vardy scores Hollywood career!

Prolific Leicester City forward Jamie Vardy is supposedly getting his own Hollywood movie – and we can't wait for the "Chat Sh*t" king to hit our local multiplex

Only five years ago, Jamie Vardy was playing non-league football and juggling his flourishing sports career with his day job making medical splints in Sheffield.

Now, he's the Premier League's hottest star striker, setting a new league record for scoring in consecutive games. No wonder his *Rocky*-esque story has generated interest

from screenwriters in Hollywood, in particular a certain Adrian Butchart, the guy who penned *Goal!*

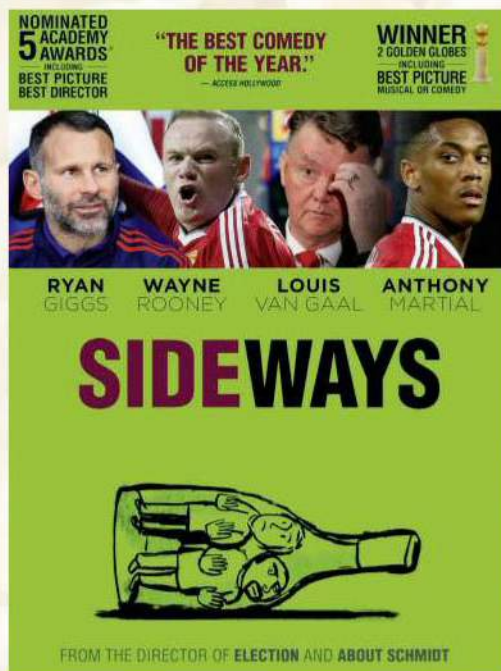

Who knows? If it does well enough, we could get a sequel in a few years' time, no doubt with Vardy guiding Leicester to Champions League glory and smashing home a hat-trick at the World Cup Final in Russia...

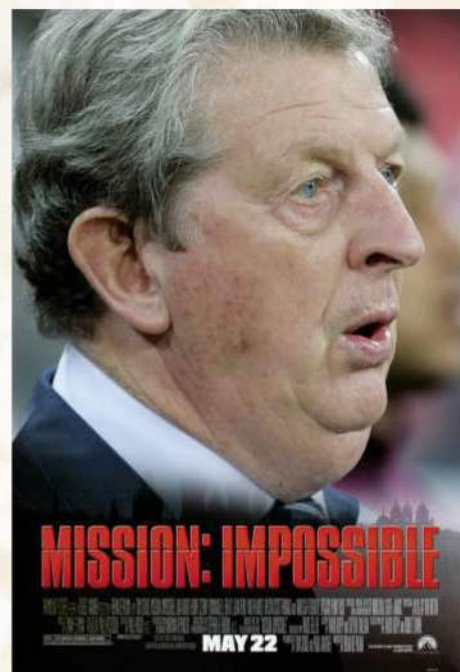

And we wouldn't mind seeing these get the Hollywood green light either...

This un-romcom sees Diego Costa and Jose Mourinho call it quits after a bitter falling out and resort to underhand tactics to push each other away.

Four guys head to the Carrington countryside to drink a load of plonk and contemplate how to move forward in life (and on the pitch).

Roy Hodgson cobbles together a ragtag group and heads to France in the hope of pulling off a highly improbable mission.

W.T.F!

The maddest thing we've seen this week!

Hot potato!

One Kent-based farmer got more than he bargained for when he pulled a sweet potato with a rather raunchy shape...

In the 607 previous issues ZOO has put into stores, it's safe to say we've seen our fair share of curvy women's bums and perky posteriors.

So when we say this sweet potato bares a striking resemblance to a lady's beautiful behind bending over, we're not lying.

This raunchy root vegetable was discovered by Ben Fletch, a potato farmer from Kent, and his family couldn't believe what he brought home from his normal day's work.

"We were all laughing for quite a while," explained a chuckling Ben. "In the end, though, we threw it away as we couldn't bring ourselves to cook it."

Who would have thought that? We thought it looked quite a-peel-ing...

Rude food

We'd do the weekly shop more often if they had these at our local supermarket...

2016'S MADDEST NEW BIKES!

New motorcycle mayhem!

Milan's annual bike show delivered some absolute beauties. Here's why you need to start saving for summer...

Each year, any bike manufacturer worth its salt descends on Milan for the annual EICMA motorcycle show to unveil the hottest concepts, smartest

upcoming machines and exciting model updates.

This year was no exception, and if you're a sucker for shiny new metal, you may want to hide the chequebook...

HUSQVARNA VITPILEN 701 CONCEPT

Yes, Husqvarna makes snazzy chainsaws, but the Swedish manufacturer also dabbles in dazzling concepts. The brilliantly-futuristic Vitpilen 701 is based on its

701 Enduro and Supermoto models, but packs serious street swagger. There's no word on a release date, but a smaller, equally radical 401 version should be on sale by 2017.

DUCATI SCRAMBLER SIXTY2

The Scrambler caused quite a stir among bearded hipster types when it was launched earlier this year, as it blended ace retro styling with a city-friendly diminutive frame. The Sixty2 is a sign of even smaller

things to come, with a 400cc, 41 horsepower set to appeal to lithe fellows with questionable facial fuzz or motorcycle newcomers who demand a smart first ride.

BIMOTA TESI 3D RACECAFE

Don't worry if you've never heard of Bimota (it's a tiny Italian manufacturer, FYI) because all you need to know is that it occasionally loses its marbles and comes up with concepts like this. The 3D RaceCafe features hub-centred steering – which looks very unsafe, but mightily cool – and an 803cc engine pinched from the Ducati Scrambler.

YAMAHA MT-10

There's no need to hit the message boards just yet, because this isn't a new addition to the *Transformers* line-up. Instead, it's Yamaha's YZF-R1-based streetfighter. Aggressive doesn't even get close

to describing this monster, as the 998cc crossplane engine is said to deliver a massive amount of torque for epic, off-the-line performance. Only those with oversized cojones need apply.

YAMAHA XSR900

Hacking around town on a retro-tastic ride needn't mean straddling an unreliable relic from the 1970s, as Yamaha's throwback XSR900 neatly proves. It's based on the modern MT-09 and features an 850cc, triple-cylinder engine that develops bags of torque for speedy getaways. Completing the package is a special 60th anniversary yellow and black paint scheme for added kudos.

VICTORY IGNITION CONCEPT

The ballsy American bike builder commissioned Swiss two-wheeled tinkerer Urs Erbacher to create a bike for the show – and this is the gnarly result. It packs the marque's gutsy 1,200cc engine,

a cast aluminium chassis and high-performance brakes and suspension that have been influenced by drag racing bikes. It also doubles-up as a very mean street cruiser.

DUCATI XDIAVEL

Ducati pulled out the big guns this year, and who can blame them? The show is on their home turf, so it's only natural they cranked out some classics. The XDiavel is a perfect example of the marque's showmanship, as its Testastretta

1,262cc V-twin engine develops 95lbft of torque at 5,000rpm and it is styled to stop folk in their tracks. There's even a fancy launch control system for skinning sports bikes at the traffic lights. It comes at a price, though: £15,795 to be exact.

KTM 1290 SUPER DUKE GT

This part-sports bike, part-commuter workhorse is designed for those who want to cover big distances at great speed. It packs a 173bhp engine, semi-active suspension and advanced ABS traction control for comfortable cruises, but has also been fettled specifically for insane individuals who like to pop a pannier-clad wheelie every now and then.

CHRISTMAS MOVIE TAKEOVER!

Plug yourself into this week's hottest entertainment, featuring the best films, games, music and DVDs

FILM
of the week!

The Night Before

Holiday rituals are often defined by mince pies, log fires and carols. As Crimbo-themed comedies come and go, this one adds the middle finger to your customs and puts on the wackiest festive show.

On Christmas Eve, three lifelong pals – Seth Rogen, Joseph Gordon-Levitt and Anthony Mackie – revel in their wild, drug-fuelled seasonal fun one last time as they search for

the epitome of secret blowouts: The Nutcracker Ball.

Along the way, we witness rib-achingly ridiculous trips on magic mushrooms, exploding snowmen, fights with phony Santas and midnight mass meltdowns.

The trio's comic chemistry is perfectly executed, meaning this is the rudest, crudest and funniest seasonal cinematic gift since *Bad Santa*. ★★★★★

FILM!

Krampus

Sprouting from Alpine folklore, a boy whose faith in Christmas is shaken accidentally summons Krampus: a demonic anti-St Nicholas who comes to punish.

The Krampus – a hooded goat-like creature, who preys on the vulnerable with an army of

nightmarish gingerbread men, elves and toy helpers – is hair-raising, edgy and unlike any festive character you'll see.

Flat, half-hearted gags and clichéd story aside, you'll want to make sure you avoid the naughty list. ★★☆☆☆

FILM!

Christmas With The Coopers

At the time of year when the whole family arrives for a very merry Christmas, there's always a disaster lurking round the corner.

As four generations of the Cooper clan – including Diane Keaton, John Goodman,

Olivia Wilde and Ed Helms – gather to enjoy the holidays as an archetypal “happy” family, news of an imminent divorce is kept hidden away.

A cracker without a bang, the lack of laughs means this is a massive turkey. ★★☆☆☆

HOT FIVE XMAS FILMS

Die Hard

Ho, Ho, Ho! Put a stop to the “it’s not a Christmas movie” rows by turning this classic up. ★★★★★

Elf

Release your inner juvenile as Will Ferrell’s man-Elf spreads Xmas cheer. ★★★★★

Bad Santa

A department store St Nick lands on his own naughty list through his criminal craft. ★★★★★

The Muppet Christmas Carol

Michael Caine’s cockney mannerisms, plus Muppet magic. ★★★★★

National Lampoon's Christmas Vacation

The Griswolds’ crazy caper is a bona fide seasonal staple. ★★★★★

Christmas movie trivia

You'll spend a lot of time with the family this festive season. At least you can regale them with these cracking movie facts...

LOVE ACTUALLY

The airport footage is of real travellers, filmed at Heathrow over the course of one week.

ELF

Will Ferrell jumped around New York in-costume to recruit extras for Buddy’s Big Apple arrival.

HOME ALONE

The picture of Buzz’s girlfriend Kevin finds is a boy dressed like a girl – make-up, wig and all.

SCROOGED

The Ghost Of Christmas Present bit Bill Murray’s lip so hard, filming had to be halted for a few days.

BAD SANTA

Weighing in with a hefty 170 uses of “f***k”, *Bad Santa* is the sweariest Christmas movie ever.

HOW THE GRINCH STOLE CHRISTMAS

Jim Carrey’s Grinch make-up took three hours a day to apply.

JINGLE ALL THE WAY

The Turbo Man shopping panic was loosely based on the 1980s obsession with Cabbage Patch dolls.

DIE HARD

Bruce Willis was seventh in line to play John McClane, behind Schwarzenegger, Stallone and Harrison Ford.

GAME!

Just Cause 3

The one thing this massive open world shooter isn't short of is spectacle and scale, creating the gaming equivalent of a Michael Bay movie.

Sadly, like a *Transformers* film, the wildly enjoyable explosions and CGI can't mask a number of glaring mistakes.

The story is largely forgettable, with anti-hero Rico Rodriguez returning home to overthrow a well-armed military dictatorship. The missions are equally repetitive, but at least play a role in setting up a world in which you can blow rebel forces into tiny pieces, often with hilarious results.

The main cause for concern though is the overabundance of bad AI, rough edges and, worst of all, game-breaking bugs – meaning that for all its showy, action-packed moments of brilliance, there are simply too many faults to ignore until a game-saving patch is released. ★★☆☆☆

The Hot List

Trainwreck

US comic Amy Schumer makes her big-screen writing and acting debut as 30-something Amy who, believing that monogamy isn't realistic, lives her life drinking, partying and smoking weed – until she meets Aaron (Bill Hader). As you'd expect from a Judd Apatow film, there's wit and vulgarity, plus a role for LeBron James in an upside-down take on the romcom. ★★☆☆☆

DVD!

Fear The Walking Dead Season 1

This prequel spin-off to the best zombie series on TV is set in LA, following a new family at the start of the apocalypse – so you don't need to have seen all six seasons of *The Walking Dead* to understand what's going on. Still, the trademark gore and unbearable tension is layered on thick to keep you on the edge of your seat from minute one. ★★★★★

DVD!

Mission: Impossible – Rogue Nation

There's no need for character introductions here, as Ethan Hunt and the IMF dive straight into the action. But it's not just high-speed chases and epic stunts; *Rogue Nation* has a superb story and lots of jokes thrown in, too. Unlike most sequels, the *M:I* films keep getting better and this is one not to be missed! ★★★★★

DVD!

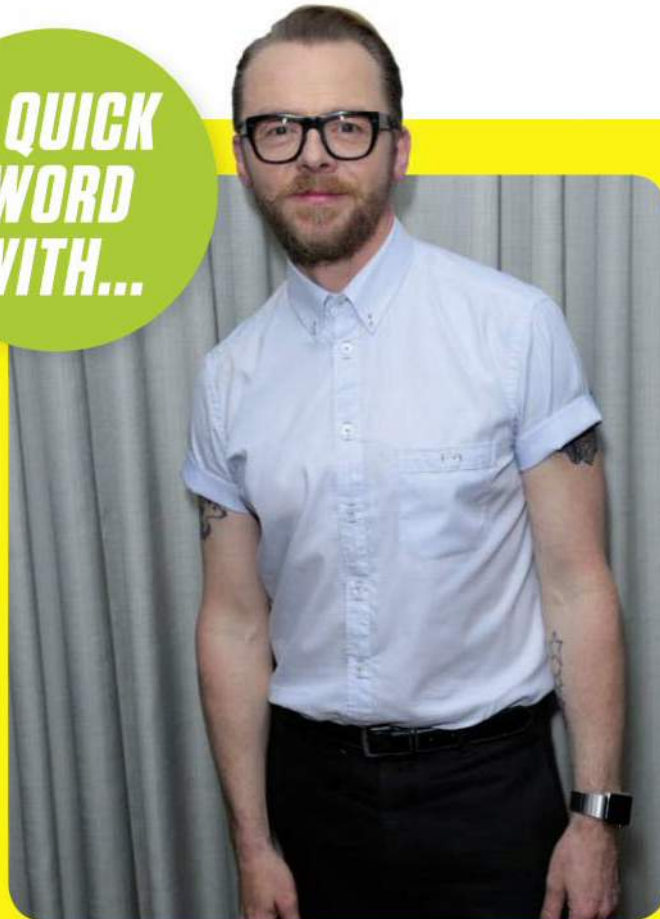

Pixels

This far-fetched story sees aliens attacking Earth using classic arcade games as modes for their assault. With three top comedy leads – Adam Sandler, Josh Gad and Kevin James – alongside Peter Dinklage, this should've been good. But, while there are some decent laughs and effects, it's just another recent Sandler production: safe, predictable – and pretty bang average. ★★☆☆☆

A QUICK WORD WITH...

SIMON PEGG

HI, SIMON! THIS IS YOUR THIRD MISSION: IMPOSSIBLE FILM. WE TAKE IT YOU HAD FUN...

It was great! To turn up on set and know we're going to be shooting something on the Vienna subway, or hanging off an aeroplane, or doing a car chase, it doesn't get any better than that.

WERE YOU THERE WHEN TOM CRUISE WAS HANGING ON THE OUTSIDE OF THE PLANE AS IT TOOK OFF?

I was. When he actually did the take-off, I wasn't shooting my scene, so I got on the plane just to have a ride in an A400. Meanwhile Tom was on the side

in your mind that it's still the character on screen.

WE CERTAINLY WOULDN'T LIKE TO CLING ON TO A PLANE. DOES TOM PACK A FEW PAIRS OF BROWN TROUSERS?

Nah, he relishes this stuff. He enjoys the challenge. Besides, our stunt coordinator said there was no point in getting a stuntman in because Tom can probably do it better than most!

DO YOU HAVE ANY INPUT ON THESE STUNTS?

Nope! It isn't until you get to the set and see it come to life that you think, "Holy sh*t!" You see "clinging onto an aeroplane taking off" in a script and you think, "I wonder how we're going to do that". It then turns out it really is clinging onto an aeroplane while it takes off.

WHAT'S NEXT FOR MISSION: IMPOSSIBLE THEN?

I worry in a way. We climbed the Burj Khalifa, and it was like, "OK, let's do that again, but let's do it with an aeroplane." When we do *M:I 6* we may have to go into outer space!

of the plane – that's a fairly typical day on set. **SO TOM DOES ALL HIS OWN STUNTS, RIGHT?**

Yeah, it's very important to him that people have that experience of knowing it's not a stuntman. It adds a degree of tension when you know it's the actor doing it, because it stays

BRA WARS

ZOO strikes back with Emma Glover and Joey Fisher...

**“I’d be
able to
spin a
lightsaber
pretty
fast...”**

Not so long ago, in a photo studio far, far away, Joey-Wan Kenobi Fisher and Darth Emma Glover initiated their plan to rule the pages of this magazine.

As we're not experts in the ways of the Force, we hired Yoda* - ZOO friend and Jedi Master - as guest interviewer. And the little green fella was keen to find out if our covergirls are ready to represent the Rebel Alliance or Galactic Empire, where they hide their lightsaber and who they've passed their skills on to.

Prepare to jump to lightspeed...

TO THIS VERY SPECIAL BRA WARS ISSUE OF ZOO MAGAZINE, WELCOME ARE YOU...

JOEY FISHER Thanks! I'm loving this shoot. Emma does have a brilliant figure at the moment. It looks like she's been working out!

EMMA GLOVER But my boobs aren't as big as Joey's! They're gigantic - almost intergalactic! **JUDGE ME BY MY SIZE, DO YOU?**

JF To be honest, I'm quite tall - so I can't be with anyone shorter than me. Sorry, Master Yoda: you're just too short!

EG It's not about what you've got, it's what you do with it. A lad might only be 2ft tall, but that doesn't mean they can't still work it! **LOOKING AMAZING ON THIS SHOOT, YOU ARE. BUT WHEN 900 YEARS OLD, LOOK AS GOOD AS ME, YOU WILL NOT...**

EG Ha. I'll be much better. I think I'll go for the "genetically modified creation of amazements" look! I'll become a fembot. That's my new goal in life...

JF In 900 years, I expect to be a big pile of dust... **MUCH DARK SIDE I SENSE IN YOU. GET UP TO MUCH MISCHIEF ON A NIGHT OUT, WE DO?**

EG I'm older, so I'm *meant* to be the responsible one. But I lead the younger girls, like Joey, astray. Everyone bends down to my will.

JF We're definitely her slaves... **BUT ALCOHOL IS THE PATH TO THE DARK SIDE. BEER LEADS TO PARTY... PARTY →**

BRA WARS

LEADS TO HANGOVER...

EG We had an awesome party in an Indian restaurant, didn't we Joey? We drank them out of Champagne, but luckily they ordered us all of the ingredients for pornstar martinis.

JF There was carnage in the kebab shop afterwards! Apparently, Rosie Jones was stripping off and had lost her shoes, but I had my face in my cheesy chips, so I didn't really know what was going on!

UNLEARN ABOUT HANGOVERS WHAT YOU

HAVE LEARNED, HAVE YOU?

EG Well, I've been told the best hangover cure by one of my Instagram followers, so write this down Yoda: two vitamin B12 tablets, two antacid and a paracetamol. I stack them up in my kitchen with some Hula Hoops before I leave. Since I've known about this, I've not had one hangover!

JF Mine's just a black coffee! I've been teaching everyone how to strawpedo, ever since Emma taught me! It's been getting out of hand recently,

though. I've got to try to start taking it easier.

DO OR DO NOT: THERE IS NO TRY...

EG Not when Rosie is involved! She came round my house for lunch the other day and we ended up partying all night in London. I'm not sure I can cope with that kind of fun any more...

JF She gets so aggro when she's tipsy – but that's only because she loves us. You should be more scared of her if she's being nice to you...

AWAY, PUT YOUR WEAPONS. YOU WILL

NOT NEED THEM WITH ROSIE...

JF With Rosie, we *always* do! I think I'd be quite handy with a lightsaber, actually. I grew up having to fight my way to the biscuit barrel because of two older brothers who would always try to beat me there!

EG I'll have to learn to use the Force! Then I'd use Jedi mind tricks to sneak past Rosie without her knowing! But if she wants a fight, I used to be a majorette; I'd be able to spin that lightsaber pretty fast...

“Emma’s figure is amazing. She looks like she’s been working out!”

ZOO'S BIG COMEDY DVD ROUND-UP

We've picked out the 40 best stand-up gags from this year's DVDs, so you don't have to...

DARA O'BRIAIN

1 You can't even watch a football match these days without Ray Winstone's giant, disembodied head ordering you to gamble midway through the game: "Bet in play! Bet in play!"

Ray Winstone delivers every line in those ads like it has the words "you c**t!" at the end of it, but they've just snipped it off for decency.

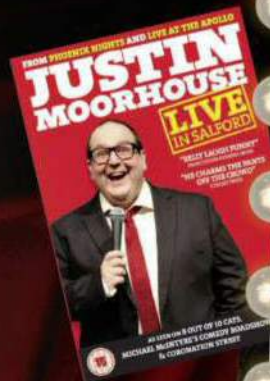

2 There are some things we teach kids, and the only reason we do is because our parents taught it to us – and I am calling bullsh*t on one of those, specifically "elbows off the table".

What is the problem with an elbow on a table? A table is elbow height, it is sitting there waiting for an elbow to appear – you can rest, you

can swivel. We only say it because our parents did, and they did because of their parents and, frankly, that's how religions get started.

3 The first time you ever hear trainers are stitched by eight-year-old children in Indonesia, you go home and look at your own eight-year-old and go: "Look at the quality of work on this compared to the sh*t you're bringing back from that school. A rocket made out of tubes? What the f**k am I supposed to do with that? Make me a shoe and I'll put it on the fridge, do you understand?"

→ Dara O'Briain's *Crowd Ticker Live* is out now

JUSTIN MOORHOUSE

4 For people watching at home, this is called *Live In Salford*, not *live* in Salford. That's not advised.

5 I turned 45 this year. I've finally caught up with my waist.

6 When my mum went through "the change", she said she was going on HRT. I thought she was learning to drive a lorry.

7 Two women were talking at the bus stop. They said, "Have you heard about Barry? He's had a midlife crisis. He's left his wife, bought a Porsche and started sleeping with his secretary."

I thought, "Yeah, that sounds horrific..."

8 I've just had my hip replaced. I was doing a show in Leeds and said this and one bloke went, "What with?"

9 I hate dispensing chemists. You go in with your prescription and the chemist, with five years of college and loads of student debt, at 9.05am on their first day, realises a horrible truth: they essentially run a shop. And not even a good shop – a medical Argos.

→ Justin Moorhouse: *Live In Salford* is out now

PAUL CHOWDHRY

10 There's a certain type of person who owns a Staffy. You never see a middle class person with one. The owners are always like, "I've got a flipping Staffy, bruv" and the dog's like, "I've got to hang out with this pr*ck, giving my people a bad name."

11 What happened to Ebola? Apparently it was going to wipe us all out

earlier this year. It just disappeared. As soon as the white guy caught it, they found a cure.

12 Kim Kardashian's got 25m likes on Facebook and no one knows what she does for a living. She's only famous for having a massive arse: Kanye West.

→ Paul Chowdhry *PC's World Live 2015* is out now

HAL CRUTTENDEN

13 Why do people compare marriage to prison? There's far more sex in prison.

14 Bond villains are always either foreign or "English posh". They never seem to be regional English. You never get a northern Bond villain going, "What you drinking, Bond, eh? Martini? You big soft lad, you'll have a pint."

15 We're hard to like when it comes to football. I was in Scotland and asked the crowd, "Is it true that when England play football you support the opposition?"

They all said, "Yes." I said, "Do you know what? We do the same to you – we just never know when you're playing."

16 The only Royal who tells the truth is Prince Philip. That's why

they always have to pretend he's ill for the big events. Do you remember the Queen's Diamond Jubilee and Prince Philip was ill for the concert? He wasn't. Someone looked at the line-up and thought, "Prince Philip cannot meet Stevie Wonder."

17 I always find the First World War very moving. I always think that destruction of a generation must never happen again. Then I watch *Geordie Shore* and *Big Brother*...

18 My wife tried to sympathise with my rat phobia by saying she had a shark phobia. That's not a phobia, that's just common sense. If you're in the water and someone screams, "It's a great white!" you're not going to say, "He's far more scared of you."

→ *Hal Cruttenden Live: Tough Luvvie is out now*

DYLAN MORAN

19 Life is so brief. There are four ages of human being: child, failure, old and dead. That's it, that's all you have.

20 I was putting things in my mouth because it's comforting. Babies know this. They come out, they look around, it's a stressful world, so they go to the breast and they stay there. They don't take calls or meetings or anything. We should have a giant tit on the wall of every office in the country. Putting things in your mouth calms you down. The great times in your life are about putting things in your mouth.

21 It's not like I'm American fat. I'm not one of those guys, one of those huge people who wouldn't even realise if they had a monkey hanging from their cock.

→ *Dylan Moran – Off The Hook is out now*

KEVIN BRIDGES

22 The Scottish Referendum was a crazy time, wasn't it? It left us questioning our whole identity. Even I'm confused by Scottish money; no wonder the English don't accept this sh*t.

"Who is that guy?"

"That's not the f**king Queen, mate."

"I know. I don't know who it is. It's just some guy, mate. Probably Clydesdale Bank's employee of the month."

23 Greece actually accused Germany of owing them €279bn, because of the Nazi occupation in the 1940s. Classic tactics: "We weren't going to mention it, Angela, but since you're chasing us up..."

24 You don't realise how much sh*t you photograph until you go somewhere good and your phone runs out of memory. You're standing on top of the Empire State Building deleting fry-ups.

25 I appreciate my life. I travel a lot and stay in a lot of hotels. They've always got bad news for you.

"Unfortunately, sir, Wi-Fi is only available in the lobby."

27 I'm very envious of musicians as they've got an easy career. All it takes is three or four hits, and you've got a career forever. Take someone like the Crazy Frog. He'll never go hungry.

28 Mortgage insurance protects against accidents, but not against a lack of work. So if you look in your diary and there are no jobs coming up, you have to chuck yourself down the stairs to make an insurance case.

35 I took my wife out the other night for date night. They did this thing I've never seen before: they gave me a normal menu with the food and the prices, but they gave her a menu with just the food, no prices.

She said, "I wonder what the catch of the day is?"

I said, "It's £45 and you're not having it! OK?"

I actually called the waiter over and said, "Sorry, £45 for catch of the day? What is it you've caught? Because if it's not a mermaid, you're overcharging!"

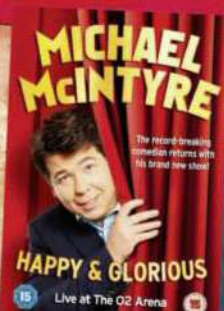

36 In London, we're not allowed birds, we just have pigeons. Just fat, depressed, suicidal pigeons that just walk in front of cars: "Kill me now, end this sh*t life in this hellhole you call home!"

37 Whenever there's a noise in the house, it's always the same thing at night, my wife wakes me up.

"Michael, wake up! I think there might be someone downstairs. I think I heard a noise coming from the kitchen." She's like, "Go on, go on, go and see Michael, you're the man of the house."

"You're right, darling, I am the man of the house. But what concerns me at this very moment is, I think there might be another man in the house. And I've decided to make him the man of the house on this occasion!"

THE AMAZING CAITLIN WYNTERS!

The Worcestershire wonder is sexy, stripped... and single!

There isn't much busty brunette Caitlin Wynthers hasn't done for your favourite magazine, from scooping the top prize in our Summer Babe Search in 2011, to appearing on the spectacular collector's edition cover of our 400th issue Naked Special and fronting our 12 Girls Of Christmas. She is without doubt one of ZOO's most loved and exciting covergirls.

Much like a fine wine, Caitlin's got better and better over time. And our love for the Worcestershire lovely has never diminished, especially given she tells us about what underwear she enjoys, getting caught out naked and her new-found singledom.

Grab your warmest coat, chaps: Wynthers is coming...

HI, CAITLIN. IT'S GREAT TO WELCOME YOU BACK TO THE ZOO FOLD!

Thanks. It's really good to be back. I've had so much fun, and I was fortunate enough to be able to get completely naked for the first time since we did your 400th issue Naked

Special. I thought I'd go all-out because it's been a while. I've forgotten how sexy it makes you feel.

IS SHOOTING WITH ZOO THE SEXIEST THING YOU GET TO DO?

Definitely! I don't think anything else can actually compare to it. I guess getting into your bikini is pretty hot, but you can't just have a stroll down the beach completely naked, can you?

THAT ALL DEPENDS ON THE BEACH! SO WHAT DO YOU WEAR WHEN YOU'RE NOT IN FRONT OF THE CAMERAS?

I'd love to be able to just sit ➔

around in lingerie all day – that’s the dream! But more realistically, it’s just some really nice baggy T-shirts with nothing on underneath when I’m hanging out around the house. I’m sure my flatmate might tell you something different, though...

GO ON...

She’s always coming home at really awkward times – when I seem to end up on our sofa naked instead of actually getting dressed. She’d probably tell you I don’t ever wear clothes!

IS IT ONLY ON YOUR SOFA WHERE YOU GET CAUGHT IN THE BUFF?

Ha, no. I’m always parading in front of my windows with next to nothing on. I must remember people are nosy... I’ll just get out of the shower and stroll around for a while before I put a towel on. ➡

THE AMAZING
CAITLIN WYNTERS

**“BRING ME
A MIMOSA
IN BED AND I’M
ALL YOURS...”**

ARE YOU STILL ON YOUR GLOBETROTTING TOUR?

Definitely! I don't stop these days. I've been in New York and have returned from a sexy safari in South Africa. My friend's boyfriend brought along a friend and we shared a bed. But don't worry, I'm single. I need a man to keep me entertained!

BUT WE'D HAVE TO CHASE YOU ACROSS THE WORLD...

Unless you're Channing Tatum, you'll have to do a bit of travelling to find me! I'm currently in the Bahamas with Daisy Watts and Jessica Davies. It's probably more than you bargained for...

WHAT ARE YOU GETTING UP TO IN THE CARIBBEAN?

We'll be drinking and having loads of fun in the sun, then I guess we'll have to do a bit of work. My favourite rapper – The Game – is out here, so we'll ask if he wants to come and party!

WHAT WILL YOU ALL BE DRINKING, THEN?

Wine, Champagne or perhaps a margarita. Then, if you're lucky enough to still be with me in the morning, just bring me a mimosa and I'm all yours...

THE BEST, BIGGEST AND FUNNIEST

Tyson Fury!

"If God is with me, who can be against me?"

The new heavyweight champion of the world mouths off about the "cheating" Klitschkos, telling it how it is and being a "mongoose" in Germany

AND THE NEW! CONGRATULATIONS TYSON! HOW DOES IT FEEL TO BECOME THE HEAVYWEIGHT CHAMPION OF THE WORLD?

I'm still Tyson Fury, I'm still a boxer and I'm still going to get in my old Land Rover and drive home and go to bed. Nothing's changed. Any man who lets fame and glory change him is a fake person.

BUT YOU'VE GOT A WIN OVER THE GREAT WLADIMIR KLITSCHKO NOW. AND ALL HIS BELTS...

I'm not overwhelmed or shocked. I always said I would become heavyweight champion of the world. I've been telling as many people that would listen what would happen if I fought Wladimir Klitschko – and it did.

COULD YOU HAVE WON IT IN ANY BETTER STYLE?

My performance, outboxing him, was better than knocking him out in two rounds because he could have said it was a flukey punch. But that was a masterclass over the best fighter on the planet in his own backyard. I was like a

mongoose going into a cobra's nest and taking all its eggs.

YOU'VE BARELY GOT A MARK ON YOUR FACE. DID WLADIMIR HIT YOU AT ALL?

He caught me flush on the chin with a straight right hand and I never felt it. He caught me in the temple and I didn't feel it at the time, but I've been feeling it since! You hear about Dr Steelhammer and how hard he punches, but he was just a normal man with a pair of boxing gloves on.

ALL THE BACK AND FORTH OVER GLOVES AND THE

RING CANVAS BEFORE THE FIGHT, HOW CLOSE DID YOU COME TO CALLING IT ALL OFF?

They are cheats. They tried it with the gloves, the extra foam on the ring canvas, and at the weigh-in where they said I was 17st 8lb when I was 18st 4lb. They even had his hands wrapped before we even came into the dressing room before the fight. It didn't faze me one bit because I have a saying: "If God is with me, who can be against me?"

IS IT TRUE YOU WOULDN'T EVEN TOUCH THE WATER

Stare off...

Fury-ous right!

IN THE DRESSING ROOM?

I had it on good advice not to touch anything in the changing rooms. I went home dehydrated before I even touched anything, because I was so frightened of being drug-tested and failing that test.

WHAT WAS THE FIRST BLOWOUT MEAL AFTER YOUR VICTORY?

I thought I'd have a nice English breakfast the morning after the fight, but I woke up and couldn't stomach it. I ended up having porridge and fruit. Where I've been in camp for so long, I'm not craving anything!

A LOT'S BEEN MADE ABOUT YOU BEING A CONTROVERSIAL CHARACTER. CAN YOU BE A ROLE MODEL?

It depends what kind of role model you want. If you want a yes man, I am not that person. If kids want to look up to a realist or a cartoon character, then I suppose looking up to a realist is going to help you fit in more in life.

The champ on his rivals...

The rematch

Wladimir Klitschko

"Wlad will analyse the fight. He will know what he can and can't do. I don't think he can do much better, but he fancies his chances again, so let's go. One thing I can say about the rematch is that it's going to be explosive."

Unfinished business

David Haye

"I'll never fight Haye after he said he'd never give me a payday. Well, the boot's on the other foot now. If he gets a mandatory shot with any governing body, I'll vacate the title. Let him fight Fred Flintstone or Joe Bloggs for no money."

The unification

Deontay Wilder

"Why do we need to mention Wilder? He's a basketball player who took up boxing a couple of years ago. I'm a true, natural fighter. Why would I be bothered by an insignificant novice like him? It's only because of his WBC belt."

ANTHONY JOSHUA

"DILLIAN'S NO DIFFERENT TO THE REST!"

Forget the amateur fight, forget the mud-slinging, Whyte will meet the same fate as the others, says AJ

HI, ANTHONY. HOW MUCH DO YOU WANT TO SHUT DILLIAN WHYTE UP?

This is just another step up the ladder for me. What matters is it's for the British title, not that it's against Dillian. The fact it's him just gives it a little bit more needle.

DOES YOUR LOSS TO HIM IN THE AMATEURS HAVE ANY SIGNIFICANCE?

Only in that he's beaten me once and he thinks he can do it again. But when I turned professional, Lennox Lewis told me: "Forget what you did as an amateur, you're pro now." That's the attitude I'm taking into this fight – we were amateurs then and we're pros now.

WHAT DID YOU SAY ABOUT HIM THAT APPARENTLY STARTED ALL THIS?

I gave my opinion in an interview in 2009 about certain mistakes he made as an amateur and then getting

a drugs ban in the professional game. It's all irrelevant though because with or without those comments we'd be here. We're here because we're two young, hungry fighters trying to progress our careers.

WHAT DO YOU MAKE OF HIM CALLING YOU FAKE?

For starters my name on my birth certificate is Anthony Oluwafemi Olasehin Joshua. My family call me Femi. There's nothing fake about providing for your family and earning a righteous living so I don't know what he's talking about.

DOES THE NEEDLE AND YOUR HISTORY MAKE HIM AN EVEN MORE DANGEROUS OPPONENT?

Dillian's no different to my previous opponents – they all think they can beat me until they get in the ring. He reckons I've fought old men and journeymen so he's here to change that. I just wonder what the next person will say once I get past Dillian.

SO WILL YOU BOWL HIM OVER LIKE ALL YOUR PREVIOUS OPPONENTS?

He's not silly enough to come out and charge at me. He'll pace himself and pick his shots so I'm training for a 12-round fight. But I'll still go out there with the same attitude and ambition, and hopefully end it with the same style.

SATURDAY 12 DECEMBER

Anthony Joshua vs Dillian Whyte
5pm, Sky Sports Box Office

DILLIAN WHYTE

"ANTHONY'S A FITNESS MODEL, NOT A FIGHTER!"

The Body Snatcher tells ZOO why it's personal with the "kid" he beat in the amateurs

HI, DILLIAN. WHAT IS IT ABOUT ANTHONY JOSHUA YOU REALLY DON'T LIKE?

The kid doesn't get under my skin, it's a fight and we're both preparing to go to war, so you have to prepare mentally and physically. He's the one who made it personal, I'm just answering him back. That's what you do when people take shots at you.

YOU'RE REFERRING TO HIS COMMENTS ABOUT YOUR DRUGS BAN...

He said some rubbish about me being a drugs cheat and not being able to take me seriously, but he's the one who got in trouble for dealing drugs, so you tell me what's worse?

IS THAT WHY YOU'RE LABELLING HIM A FRAUD?

He's even trying to blame the reporter for those comments. The guy is fake. He doesn't even use his real name, Femi. He didn't want this fight, I campaigned and got it off my own back. He's been forced to take it because I'm mandatory challenger for the British title.

HAVE YOU GOT HIS NUMBER FROM YOUR AMATEUR WIN?

I believe I can beat any heavyweight in the world. It's just a matter of time. I know it's not going to be an easy fight. It's going to be one of the hardest in my career, and that's what I'm preparing for.

HOW MUCH HAS JOSHUA CHANGED SINCE THEN?

He looks like a fitness model, not a fighter. He's got a hell of a lot bigger and put on a lot of muscle, but if you look at the history of the heavyweight championship, there's not been a lot of boxers throughout the years who look like him.

DO YOU THINK ALL THE NAME-CALLING HAS RATTLED HIM?

I've been in his head since the amateur fight but he does a lot of sport psychology and mind coaching to play it cool. That won't help him though when we have to face each other in the ring on fight night and he has to deal with me.

CONOR MCGREGOR CHATS TO ZOO!

"I'm living like Rocky, but training like Clubber Lang!"

The Irish fighting sensation, and the UFC's No1 trash talker, spells out why he can't lose this weekend – or any other!

Aldo will go in one!

"I hope Jose Aldo turns up this time. But even if he does, I can't see him answering the bell for the second round. I can't see his face or body at the beginning of the second. I will KO him inside one, and then go on to fight the winner of Rafael dos Anjos and Donald Cerrone for the lightweight belt. After the next two fights, I'll be a two-weight world champion."

I proved it against Mendes!

"I watched Aldo vs Chad Mendes at ringside and thought, 'Mendes hits like an animal'. Then I went in the Octagon with him and realised he hits like a b*tch. He was supposed to be my Kryptonite. 'Keep the cash cow away from the American wrestler,' they said. I took the fight on three weeks' notice and got the job done. These people aren't on my level."

Living like Rocky, training like Clubber Lang!

"I embrace the media because it's part of the game. I was watching *Rocky 3*, where Rocky has a mansion with a robot butler. He's doing TV shows and commercials and getting sloppy, while Clubber Lang is sprinting in an alleyway, throwing shots and visualising about beating him. I'm living like Rocky with all the houses and cars, but training like Clubber!"

Injuries can't stop me!

"I tore 80 per cent of my ACL on the world tour with Aldo last time round. His team celebrated and plotted to target it. Then he bruised his rib and pulled out of the fight. I told him, 'show up and I won't target your body; I'll hit you clean in the face'. He still didn't show up! I showed up against Mendes because I'm a beast. Nothing can stop this train taking over the game."

I'm carrying the UFC!

"As far as the comparisons with Ronda Rousey go, it's because we're both workhorses. But in reality, we have two very different paths. Rousey does even more media, but I feel there were some personal issues in the build-up to her last fight. I'm not worried about her, I'm focusing on myself. I'm carrying the UFC on my shoulders – and doing squats with it!"

JOSE ALDO

"Conor is making me money!"

The only UFC featherweight champion – who's remained undefeated for a decade – dismisses Saturday night's brawl as just another formality

HI, JOSE. HOW FED UP ARE YOU OF CONOR MCGREGOR?

Conor McGregor doesn't bother me. The guy is working for me: he's basically making me a lot of money, so how can I be angry at him? He might be a clown, but he's been very good for the weight class, so I'm happy with that.

CONOR STILL THINKS YOU MIGHT NOT SHOW UP. ANY CHANCE OF THAT HAPPENING?

I will be there, that's more certain than all of our deaths in the future. I will be there and I will win, as usual.

FAIR ENOUGH. IS THIS THE HARDEST TITLE DEFENCE OF YOUR CAREER?

I've fought a lot of the top fighters out there and he's just the same – another opponent I have to go in there and beat. The only difference is that I always fought against Americans, and now I'm beating up an Irishman.

IS IT TRUE CONOR CALLED YOU LAST TIME AND PROMISED NOT

TO TARGET YOUR BODY?

He got scared when he saw me, so why the hell is he going to call me! Conor hitting my body wasn't even the issue. He's not going to be able to find me in there, let alone hit me. The issue with the bruised ribs was about cutting weight. It had nothing to do with Conor.

HOW DO YOU SEE THE FIGHT PLAYING OUT?

It doesn't matter how it goes. I will go in there, win, and remain champion. All I can say is whoever wants to make money, all they have to do is bet on Jose Aldo. It'll be the easiest money they will ever make in their lives.
